MEMORANDUM

TO: Hook and Line to Gill Net Workgroup Members

FROM: Martin Gary

DATE: August 18, 2021

SUBJECT: Upcoming Work Group Meeting

This is a reminder that the next Hook and Line to Gill Net Workgroup is scheduled for Wednesday, August 25, 2021 at 5 p.m. and will be held, in person, at the PRFC Office. The workgroup will discuss the results of the poll that was sent to hook and line licensees that asked them to indicate whether they are in favor of, opposed to, or neutral to the proposed Regulation III, Sec. 13(g) allowing Individual Striped Bass Allocation Transfers from a Commercial Hook and Line to a Gill Net License. They were also asked whether they would take advantage of the transfer if it were to pass on September 16, 2021. Several legal questions, that arose from the first workgroup meeting on July 22, 2021, will also be discussed.

For the continued safety of our staff and customers, if you are not fully vaccinated, you are required to wear a mask upon entry into our building.

Since this is a Workgroup and not a regular meeting, it will be up to the Workgroup Chair to decide if they will take public comment. Your opportunity to speak on the Regulation will be at the public hearing in September.

If you are unable to attend this workgroup meeting in person, you may log into the virtual meeting using your phone or computer. If you choose this option, you will be in "listen only" mode.

Please join my meeting from your computer, tablet or smartphone.
