

# **POTOMAC RIVER CRAB ADVISORY COMMITTEE**

## **MEETING AGENDA**

**August 21, 2014**

- 1. Call to Order – 6:00 p.m.**
- 2. PRFC Crab Advisory Committee Prioritization Exercise (1-5 year planning horizon) –** This is to obtain feedback from the Crab Advisory Committee on their top priorities that would require funding for eventual discussion with the Commission and incorporation into priority funding documents that will steer the Commission for the next several weeks. Please take the time to write down your top five priorities you feel PRFC should be addressing with its staff time and revenue resources. We will develop a priority list for the Commission to consider at its September, 2014 meeting
- 3. Female Harvest Reduction –** Discussion of management options on how to achieve the remaining 1.9% reduction in female harvest.
- 4. Order 2014-07 “Revised” – Crab Season –** This Order is to discuss possible changes to the female crab harvest season closures and/or areas for the 2014 crab season.
- 5. New Business**
- 6. Adjourn**
